

Birthday Party Booking Solutions from Doubleknot

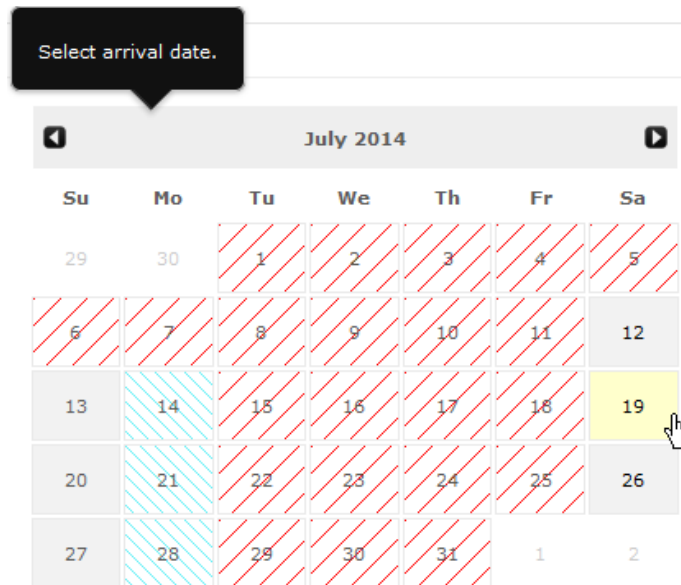

Today's busy parents don't want to wait for an email or callback to find out whether the date and time they want for their party is open. They want to see which parties and packages are available, make their booking, and pay online when it's convenient for them...which is frequently after-hours and on weekends.

Doubleknot makes it easy for to manage online scheduling, booking and optional add-ons for birthday parties. As a result, your staff can focus on creating memorable experiences for your guests instead of juggling the calendar.

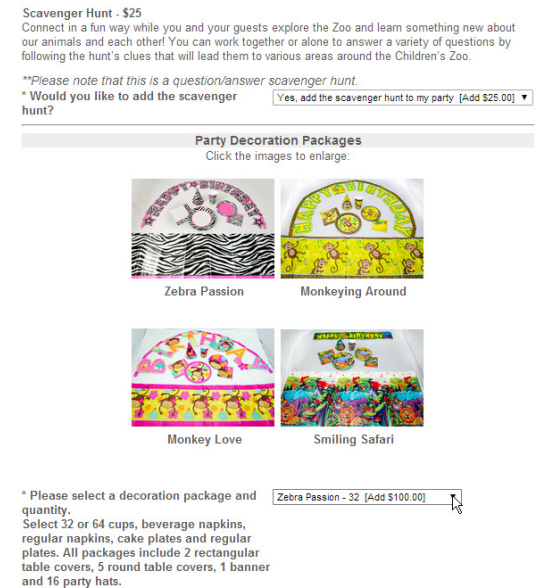

First, visitors select the party and facility they want.

Then, they pick their date from the calendar, which automatically shows which dates are available.

Before checkout, they choose from a range of add-on options to make their party unforgettable.

Doubleknot's birthday party booking solution includes:

- A **searchable online availability calendar**, so visitors can view options at a glance and make their reservations 24/7
- **Online and offline payment options**
- **Support for different party packages**
- An easy way to **offer and schedule optional add-ons** like entertainers, activities, food and drink, and gift bag options
- **Complete calendar customization** for availability and blackout periods
- An **administrative booking calendar** and comprehensive analytics and reporting
- **Complete turnkey services**—we'll configure your calendar and party options to your specifications, set up online payment services, and design the reservations screens to seamlessly fit into your existing web site
