

Dear Campers and Parents/Caregivers,

Welcome to a nighttime camp program at Camp Four Echoes!

A typical day/evening/night at camp for nighttime programs may look like this:

12:00 noon Wake up. Eat "breakfast"
1:00p Camp "Kapers" (duties that everyone performs daily to help keep camp clean and tidy)
1:30p Crafts with the Arts/Crafts Specialist
3:00p Swimming or Boating
4:00p Have a snack; team building & challenge course
5:45p All-Camp Flag Ceremony
6:00p "Lunch"
7:00p Canoe to the marsh
8:30p Meet with other groups to play games
10:00p "Dinner"
11:00p Go to the Trading Post (Camp Store)
11:30p Have a snack and hike up to T-Bone hill for stargazing
1:00a Get ready for bed (lights out by 2 am)

Because Night Owls and Nocturnals are nighttime programs, here are a few things to consider bringing to camp:

- Extra flashlight and extra batteries. Headlamps are nice because they are hands-free!
- Bring clothing that can be layered. The weather may be warm during the day, but cool at night. Be ready for both.
- Anything that glows-in-the-dark!

Families, please note: half the camp will be running on Night Owl/Nocturnal time and half will be running on a regular day time schedule and your campers will probably not get as much sleep as they do at home. We will do our best to help the campers get back into their normal schedule by the end of the week, but you should expect a very tired camper when you pick her up. Think "day after a slumber party" kind of tired 😊

If you have any questions, please feel free to call or email.
